

The RFUMS BMS program requires the following Pre-Medicine coursework at Lake Forest College (Adjustments will be made as needed in keeping with this agreement)

**Pre-Med**

BIOL 120: Organismal Biology with Lab

CHEM 115 and 116: Chemistry I & II with Lab

BIOL 221: Molecules, Genes, and Cells with Lab

CHEM 220 and 221: Organic Chemistry I & II with Lab

CHEM 300: Biochemistry with Lab

PHYS 110 and 111: Introductory Physics I & II with Lab

PSYC 110: Intro to Psychological Science

SOAN 110: Introduction to Sociology and Anthropology

A statistics course: MATH 150: Introduction to Probability & Statistics or PSYC 221: Research Methods & Statistics I or BUSN/ECON 130 Applied Statistics

Two FFC Writing or English courses

***Recommended courses include:***

One additional biology course (200-level or higher in cell/molecular, microbiology, physiology, genetics, or neurobiology)

Spanish or other language

One or more humanities courses

All these courses are 1.00 LFC course credits—including the courses with labs.

Each 1.00 LFC course credits = 6 RFU FRU quarter credits
