

2011 Brain Awareness Week

Lake Forest College

Exploring Medical Mysteries of the Mind

MONDAY
November 7

OPENING ADDRESS

Insight in the Brain:
*The Cognitive and
Neural Bases of
Eureka! Moments*

Dr. Mark Beeman
Associate Professor of Psychology,
Northwestern University

Meyer Auditorium
4:00-5:00 pm

TUESDAY
November 8

"BRAIN, MIND, BEHAVIOR" FORUM

*Faculty and alumni will discuss experiences
& research that illustrate the importance of
studying interdisciplinary neuroscience*

Meyer Auditorium
5:30-7:00

5:30 pm
Special Reception
Chicago Society For Neuroscience

5:45 pm:
Andrew Ferrier '08 (Univ of Ottawa)
*Unearthing Clues of the Neuronal
Killer Dystonin*

6:00 pm:
Dr. Lois Barr (Modern Languages)
Dementia and Denial: A Daughter's Story

6:15 pm:
Dr. Shubhik DebBurman (Biology)
*Why should we care about Alpha-
Synuclein: Its not just about Parkinson's*

6:30 pm:
Dr. Rui Zhu (Philosophy)
Dog at the Boundary

6:45 pm:
Daryn Cass '10 (Rosalind Franklin Univ)
Dog at the Boundary

WEDNESDAY
November 9

3rd ANNUAL KENNETH WEIK UNDERGRADUATE SYMPOSIUM

*Biology and Neuroscience students
Present undergraduate research in the
life and behavioral sciences conducted at
the College and in other Chicago area
institutions*

Mohr Student Commons
4-6 pm

4:00 pm
Special Reception
Biology Department & BBB

4:15 pm:
Welcome by BBB & SYNAPSE

4:25 pm:
Remarks by **Dr. Michael Orr**
Krebs Provost and Dean of Faculty

4:35 pm:
Presentation of Certificates
Dr. Kenneth L. Weik

4:45 pm:
Poster Presentations of Student
Research

Sponsored by BBB and SYNAPSE

THURSDAY
November 10

COMMON SENSE ABOUT SCIENCE

*A Liberal Arts Discussion for Honors
Fellows and students of neuroscience*

McCormick Auditorium
4:00-5:15 pm

Dr. Charles Zuker
Professor of Biochemistry and Molecular
Biophysics, Columbia University

KEYNOTE ADDRESS

Ernst H. Volwiler Lecture
*26th Annual Distinguished
Lectureship in Science*

Reid Chapel
8:00-9:00 pm

**FROM THE TONGUE
TO THE BRAIN:**
*The Biology of
Mammalian Taste*

Dr. Charles Zuker
Professor of Biochemistry and Molecular
Biophysics, Columbia University

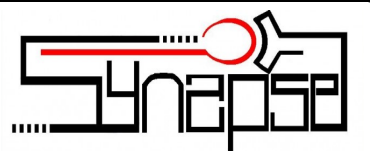

SATURDAY
November 12

KARAOKE AND BRAIN TEASERS

*Relax your brain at the
end of the week by
singing karaoke. While
waiting to sing, play
games & enjoy snacks!*

Location
TBA

Sponsored by SYNAPSE & SNAP

Organized by Synapse (the neuroscience student organization at Lake Forest College), Biology and Psychology Departments, Neuroscience Program, Beta Beta Beta & Psi Chi, E.Team, S.N.A.P, Mohr Student Center Committee, and the Chicago Chapter of the Society for Neuroscience
